

Wishing you good health, happiness,  
and prosperity in the New Year!

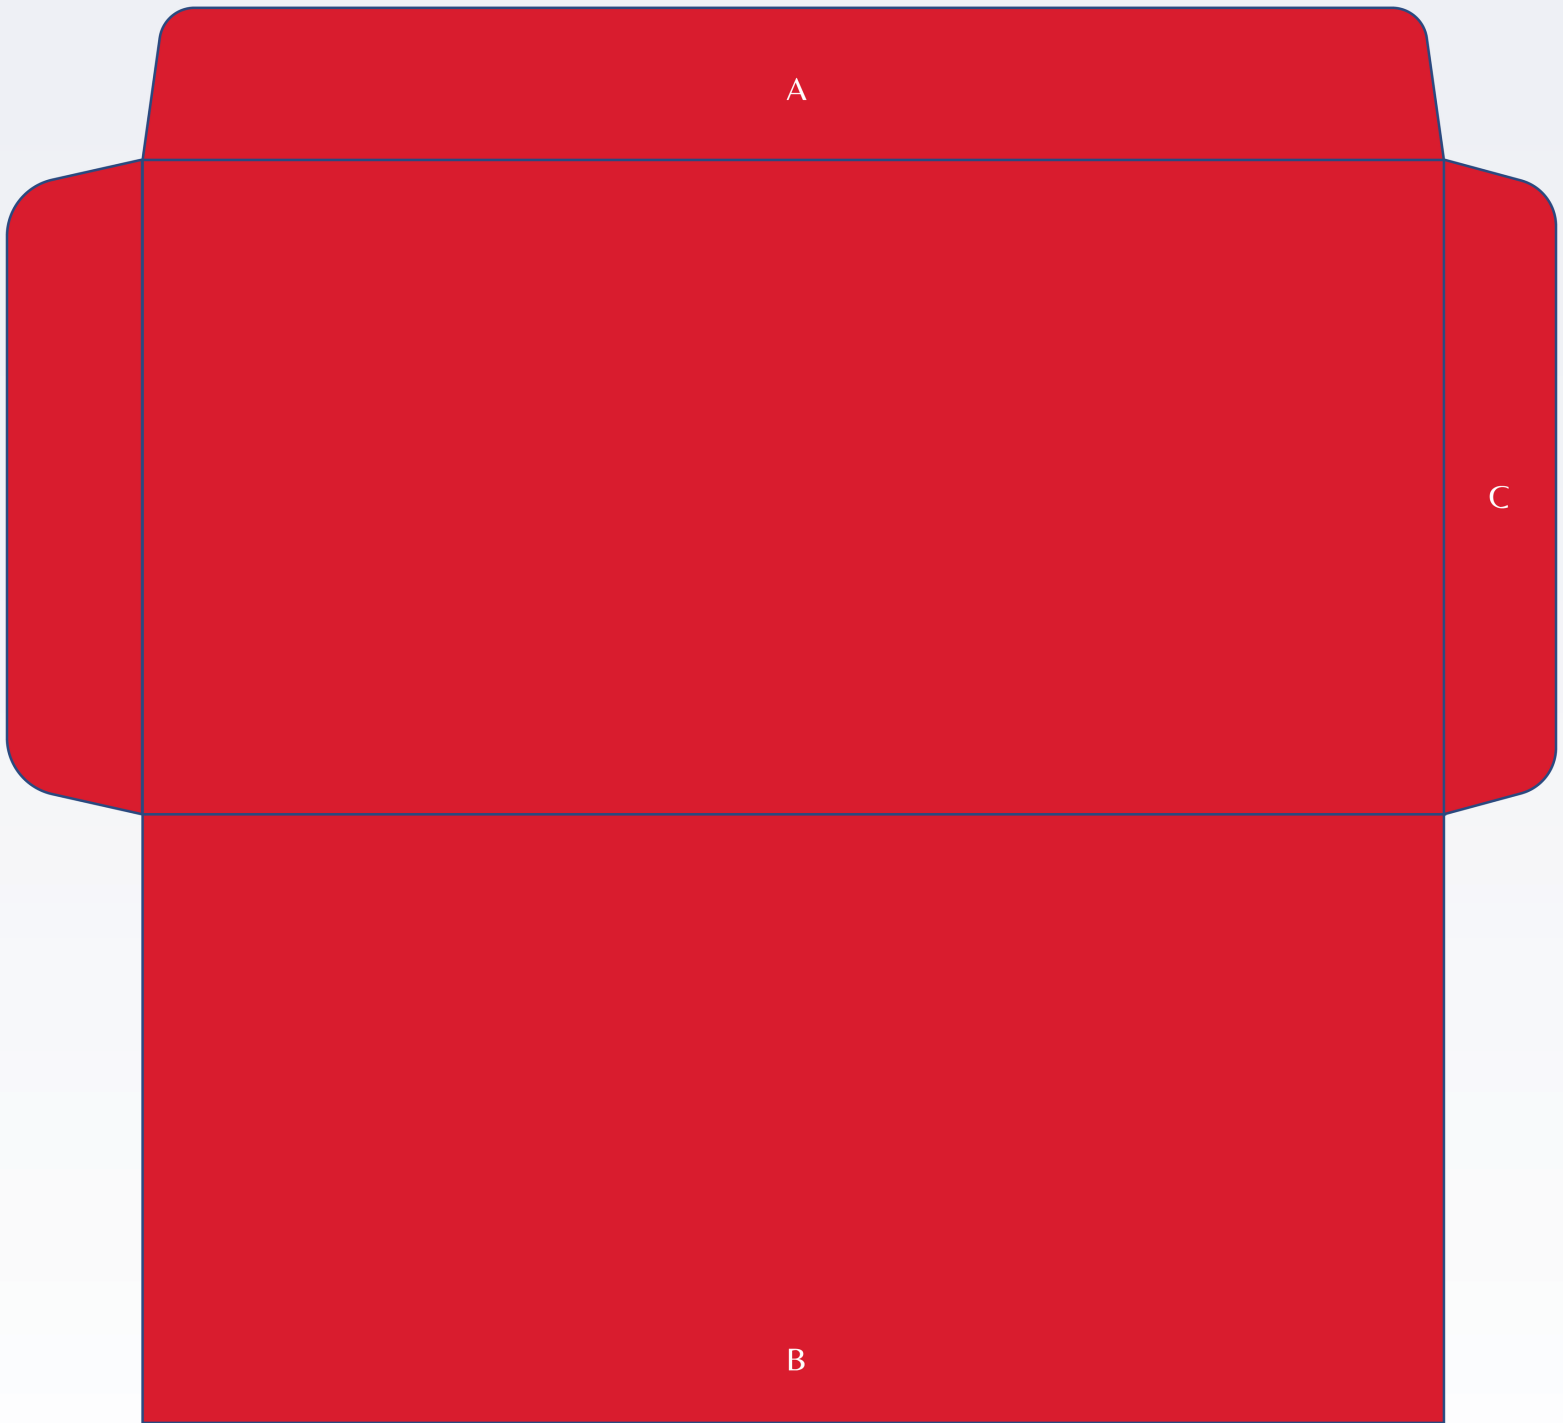

---

Fold a red envelope using the directions below and the template on the next page to share good wishes for the new year!

## INSTRUCTIONS

1. Print the envelope on the next page.
2. Cut out the template.
3. Fold along the inside lines and then unfold.
4. Fold Flap A.
5. Apply glue along the long edge of Flap B. Bring it towards Flap A. Press on the glued edges to join the two flaps together.
6. Fold up Flap C and glue it in place.
7. Leave the top flap open. This will be the envelope's opening, where you place money as a traditional sign of respect and good wishes for the recipient's year ahead.
